

South Wellington Coin Society

Volume 3 Issue 2

February 3, 1999

Owing to very bad weather our January meeting was officially canceled, but fortunately our February meeting looks very promising.

We are pleased this month to present a thirty minute CNA videotape on Canadian Paper Money, covering its roots as Playing Card Money to the present day "Bird Series" notes. It features over 150 images from the collections of the late JD Ferguson, the National Currency Collection, and the narrator. It was part of the CNA/NESA slide presentation to the employees of the Royal Canadian Mint last April and the CNA Numismatic Course in May, and was reproduced for the Paisley Road Coin Club by the Technical Services Department of the Upper Grand River District School Board. However, SWCS will be the first

club to see the video. It's a really professionally done video and will be educational.

Also we would like to mention that on the 16th of February (third Tuesday) Perre Morin will speak at the Guelph Legion. The topic will be "the New Millennium Coinage of the RCM".
